## Why have a Know Your Soul Journey Reading?

A Know Your Soul Journey Reading offers:

- Deeper connection with your Soul's origins and wisdom.
- Empowerment to create the life you envision
- Utilization of your Soul's unique gifts for manifesting your experiences.
- Recognition of your Soul as a unique aspect of the Divine.
- Alignment with your Soul's highest path and purpose.
- Creation of abundance in various life aspects.
- Opportunities to live your Soul's identity in practical ways.

## What happens in a Know Your Soul Journey Reading?

During a Know Your Soul Journey Reading, you can expect:

- Accurate and reliable access to the Akashic Records.
- A deep understanding of your spiritual being and Soul's design.
- Unlocking your potential as a creator, resolving negative karmic patterns.
- Transformation in relationships, recognizing the Soul-level essence of loved ones.
- Guidance on aligning with your Soul-level gifts for a fulfilling life.
- Support in improving relationships, including with partners and children, on a spiritual path.

## How are Know Your Soul Journey Readings different from Past Life Regression and other Akashic Record modalities?

Know Your Soul Journey Readings, facilitated by a certified Soul Realignment® practitioner, differ in that they:

- Focus on unlocking your Soul-level potential.
- Offer insights about your soul's profile and nature.
- Identify and resolve current blockages and restrictions.
- Clear negative karmic patterns at the Soul-level.
- Empower you to align with your soul's path and purpose.

### What are soul blocks and restrictions?

Soul blocks and restrictions, as identified in the readings, are:

- Obstacles that may hinder your current life progress.
- Barriers to realizing your goals and visions.
- Clearable to realign your soul with its original blueprint.

### How can you recognize “disconnection” from your soul's purpose? How did Soul Realignment® -- on which the Know Your Soul Journey is based -- come into being?

Soul Realignment® was developed by Andreea Hess in 2007. It:

- Has over 6000 practitioners worldwide.
- Influences spiritual practices in more than 40 countries.
- Has served over 192,000 clients, demonstrating the value of its methodologies.
- This revision aims to maintain your unique voice while making the information more direct and engaging for your audience. Let me know if there are specific aspects you'd like to adjust or emphasize further.
